PREFACE

HUFLIT IC 2020 is the first event of the series of international scientific applications in the field of society - Humanity, Finance - Economy, Engineering held by Ho Chi Minh City University of Foreign Languages – Information Technology. The aim of HUFLIT IC 2020 is to provide an international forum for researchers and practitioners to discuss emerging issues on the topic of **ENSURING A HIGH-QUALITY HUMAN RESOURCE IN THE MODERN AGE**. The conference took place October 16, 2020, in Ho Chi Minh City, Vietnam.

We received more than 116 papers. Each paper was peer reviewed by the Program Committee and Reviewer Board. Only 68 papers with the highest quality were selected for oral presentation and publication in the volume of HUFLIT IC 2020 proceedings.

The papers included in the proceedings cover the following topics: Information Technology, Communications, Public and International Law, Hospitality, Tourism, and Management.

Accepted and presented papers highlight new trends and challenges in ensuring a high-quality human resource in the modern age. The presented research could lead to novel and innovative applications. We hope you will find it useful and inspiring for your future research.
